⚠️ **Excess Luggage & Special Notes Policy:**
If a customer selects luggage combinations exceeding the vehicle's physical boot or carrier limit, the Kandy Cabs booking system automatically alerts the customer with the instruction:
"If you have any more luggage, kindly write in the special notes what your requirements are. Our team will contact you to help your journey."
Our dispatch coordination team reviews customer Special Notes in real-time to assign an appropriate vehicle, arrange an endorsed carrier, or assist with a vehicle upgrade.
